Partner Hotel S.A. - Gold Distinction at the Greek Hospitality Awards 2021

Chalandri, November 4, 2021 - **Partner Hotel S.A.**, a large company of Greek-Italian interests with main partners Alter Ego S.A. and **Initiative Venete Group (IVH)**, was awarded the gold prize at the Greek Hospitality Awards 2021, in the category "Best Greek Hotel Outsourcing & Facility Management Company", organized by Ethos Events.

The seventh edition of the institution rewarded excellence in the field of Greek hotels, travel agencies, rooms to let and other companies related to the tourism sector, through a process in which an evaluation committee and the public participated.

Partner Hotel S.A. is the first company in Greece to offer integrated Housekeeping and Facility Management solutions to four and five-star hotels. In its four years of operation, the company has built solid partnerships with major hotels throughout Greece.

Anthi Iliopoulou, General Manager of the company, said, 'The Gold Award honors us and inspires us to continue to provide high performance services. Five years ago, we envisioned the future of Hotel Outsourcing which was then characterized as "mission impossible" by the Greek hotel market. We persevered, planned in detail every step of the way, joined forces with one of the largest groups in Italy, built solid partnerships with major hotel organizations and confirmed that the innovative model of services we provide is an important tool for the development of Greek hotels.'
