

## **PRESS RELEASE**

### **Alter Ego Facilities Management - Market leader with the certification of the international standard ISO/IEC 27701:2019**

**Chalandri, 15 March 2022** - Alter Ego Facilities Management, a member of the European Credit Group, announces its certification according to the international standard ISO/IEC 27701:2019 "Privacy Information Management Systems". The certification process was carried out by SWISS APPROVAL TECHNISCHE BEWERTUNG and Alter Ego is one of the pioneering business organizations to obtain the accredited, through IAS, standard.

This standard sets the requirements and specifications in relation to an integrated Information Security Management System and Personal Data Protection System held by the Company, with the ultimate aim of ensuring, along with information security, the protection of the personal data of its employees, customers and partners.

Ms. Stavroula Gardiki Data Protection Officer & Head of ISO Administrative Services and Systems at Alter Ego S.A. said. Our high sense of responsibility drives us to meet the expectations of our customers, partners and employees, to comply transparently with the regulatory requirements at hand, preventing imminent risks."

Alter Ego is a pioneering company in the provision of integrated Facility Management services, with a dynamic presence in Greece, being the most reliable partner of the largest companies and organizations. The Company's goal, from its establishment until today, is to provide high quality services in compliance with the strictest protocols, with respect to society and the environment.
